About The Institute

C. K. Pithawalla College of Engineering and Technology is a self financed Institute. The institute becomes functional in December-1998 with affiliation to Veer Narmad South Gujarat University, Surat. C.K Pithawalla College of Engineering & Technology is being managed by the Navyug Vidyabhavan Trust which was founded in February-1965. The college has provided all the necessary infrastructure and facilities to help the students along with a well established library (containing a large number of books, reference books, technical & general magazines) in short span of its operation.

Our Mission

Our mission is to transform C. K. Pithawalla Educational Complex in a leading Vishwa Vidyalaya as a premier seat of higher learning and research.

The task is quite challenging but we decided to accept challenge of bringing Pithawalla Educational Complex as an eminent center on the academic map of the country.

Seminar Objective:

Why has high potential, resource-rich independent gifted with strong academic and entrepreneurial cultures remained a laggard in the global development race? Probably this is the question we are going to address through this initiative.

Industry-one of the key indicator of any country's economy needs to be handled tact fully by keeping rational long term vision. We need strong technical education base to empower industrial growth as an effort which is impossible without correlating these two giant sectors: Industry and Education.

Seminar Contents:

There will be lecture/presentation on Institutional management and Industry-Institute interaction. Moreover, Invited guests from the academic field will also share their views with us.

How to reach to venue?

The City Bus service is available from Surat Bus Station to CKPCET Campus.
